## About Me

---

I am a passionate and creative digital artist specializing in illustration. With a strong eye for detail and a deep understanding of visual storytelling, I create compelling artworks for books, magazines, comics, and social media. My goal is to bring ideas to life through visually engaging and aesthetically pleasing illustrations while adapting to various artistic styles and project requirements.

## Education

---

### 2020 - 2023 | SMK 2 Cengkareng | Computer and Network Engineering Department

This major studies computer assembly, maintenance, and troubleshooting, as well as configuration and management of computer networks, including local networks (LANs), the internet, and network security. In addition, they also study operating systems, servers, and cloud computing.

### 2023 - Present | Mercu Buana University | Informatics engineering study program

This major focuses on the development and application of computer technology and information systems. It will study programming, algorithms, databases, computer networks, artificial intelligence, cybersecurity, and software development, among others.

## Work Experience

---

### 2021 - 2022 | Digital Illustrator | freelance

Created digital illustrations for books, magazines, comics, and social media campaigns.

### 2022 - 2023 | Graphic Designer | GO! Design Mediagraphic

Worked closely with clients to develop visually compelling designs that meet their objectives.

## Skill

---

Utilized software such as Adobe Photoshop, Illustrator, and Procreate to produce high-quality digital art.
